

20TH September, 2021

Summary

This security notification informs our customers of our obligations as a manufacturer and producer of Batteries, providing our Batteries Product Registration number.

Statement

“Honeywell Security UK Ltd is a producer of Batteries and is therefore obligated under The Waste Batteries and Accumulators Regulations.

We are fully compliant with all responsibilities as a registered member of UK Government approved Batteries Compliance Scheme, ‘*BatteryBack*’, through our compliance partner Comply Direct.

Our Batteries Producer Registration Number is **BPRN00562**”.
